

Young Talent In Oklahoma

Young Talent In Oklahoma is the Oklahoma Art Education Association's annual competition for high school students in grades 9-12. Three professional artists/professors judge art from across the state from all school sizes and classes. Out of hundreds of entries, many of our students' artwork was chosen for exhibit at the Melton Gallery at the University of Central Oklahoma.

Congratulations to Isaiah Knapp, Madeline Stone, Jaxson Grimes, Kyla Reed, Dax Dancer and Quincy Polak!
