IMPORTANT INFORMATION:

- All High School for Credit Summer Classes for Camp Patriot's Summer 2023 will again be offered in a Virtual Learning format this summer.
- All classes will be offered in 2 different month-long sessions. See the schedule listed above. Any classes taken in the June session will start on June 5, 2023 and must be completed no later than June 30, 2023. All classes taken in the July session will begin on July 10, 2023 and must be completed no later than Aug. 4, 2023. A great benefit of this Virtual Learning format for these classes is that instead of a set 2-weeks or 4-weeks, with 4 or 6 hours per day in a classroom setting, students are now be able to work at their own pace and have an entire month to complete the work for each class.
- 1 credit classes will require a student to be enrolled in both sessions, June and July, as this is a full 1-credit state recognized class and requires 120 hours of instruction time.
- For all ½ credit Bible Classes, approximately 40 total hours of instruction time will be required. For all other ½ credit classes, approximately 60 total hours of instruction time will be required. Depending on the class, students can expect to spend an average 10-15 hours per week per class.
- All classes need a minimum of 5 students for the class to make.
- Please check with the high school counselor regarding any scheduling or graduation requirement questions.
- All teachers will contact all registered/enrolled students the week prior to the start of each class with specific instructions. Each teacher will use a variety of videos, Zoom calls, emails, online assignments, and more for the Virtual Learning format of these classes. Teachers primarily use asynchronous activities with some synchronous activities for these HS for Credit Summer Virtual Classes.
- All teachers will offer weekly office hour times, to be available to students and parents, to answer questions, and to help however needed.
- As stated in the Camp Patriot policies and procedures, registration will close one week prior to the start of each camp session/class, at 9:00AM the Monday before the start of each class.
- We also always offer several other academic & enrichment sessions for our High School students each summer, some in-person and some virtual, along with all other Camp Patriot sessions, such as: Metro on Mission Community Service Hours sessions; PSAT Math Prep and ACT Math Prep; Sophomore Summer Reading sessions; etc. Be sure to check out the complete Camp Patriot 2023 Guide for these other sessions and opportunities.
